WHO IS Freeport-McMoRan?

We are a leading international mining company safely supplying the world with essential metals for a sustainable future. From internships and beyond, we have opportunities to help you make the most of your skills and talents!

POWERED BY INTERNSHIPS

Our internship program aims to equip you with the practical experience, skills and knowledge for a bright future in mining or other industry. As a member of our team, you'll work alongside our talented professionals to advance meaningful, relevant projects.

Full-time students currently enrolled at an accredited, four-year university and recent graduates are eligible. Internships are full-time, paid positions that run from May through August. Open internship opportunities typically are posted on FMJobs.com from September through early October. Visit the site to apply. For questions or help, email HRSC@fmi.com or call 1-888-855-HELP (4357).

MORE ABOUT MINING CAREERS

Scan the QR code to learn more about mining and careers the industry offers, including opportunities to combine STEM and analytical skills with technology to advance mining innovation.
